RETIREMENT?

Retirement is a great job with some drawbacks:

1. There are no opportunities for advancement.
2. No one is available to promote you.
3. You need a raise but cannot find anyone to ask.
4. No one seems to be in charge.
5. You think about quitting but can't find where to resign.
6. No one is on duty to write your final check.
7. You would like to hate your boss, but you can't find him.
8. You don't know what your hours are, and you can't claim overtime.
9. With no schedule or deadlines, you can't get an evaluation.
10. In summary, retirement is a disorganized mess.

adapted

Henry Milligan

*But on the upside, there is no dress code, and no one will fire you for napping!
(A Happy Retiree)*

Interestingly, the Bible doesn't mention "retirement". Jesus met many people during his ministry, but no matter what their age or their station in life, he expected them to start working for his Kingdom from that moment forward.

Jesus warned us, "We must work the works of Him who sent me, as long as it is day, for the night is coming when no man can work" (John 9:4). So we can all look forward to retiring from our day job, but not from serving God as long as we live.

RKO

No spiritual napping allowed. (AHR)

November 2, 2014
