Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." Matthew 28: 18-20

Ladies Ministry - ICU Care Bags

We are in need of handwritten cards for ICU care bags that will be distributed on a monthly basis. The care bags will be provided to families in the ICU waiting room at Dallas Regional here in Mesquite. Our hope is that this care bag will bless someone in a special way during their difficult moments. Please pick up your note cards and return the completed ones to the basket on the Ladies Ministry table in the foyer. "Therefore, my dear brothers, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain."
I Cor. 15: 58

A Sad Day in America

The following is an excerpt of an email from Dr. James Dobson's Family Talk.

"Yesterday, Feb. 25, 2019, the U.S. Senate voted on the Born-Alive Abortion Survivors Protection Act sponsored by Senator Ben Sasse (R., Neb.). Senate Democrats blocked the Republican-backed bill 53-44, leaving it seven votes short of the 60-vote threshold required to overcome a legislative filibuster. The measure received support from three Democrats (Casey-PA, Manchin-WV, and Jones-AL) while three Republicans did not vote (Cramer-ND, Murkowski-AK, Tim Scott-SC). Scott and Cramer's absences were reportedly due to travel delays. Senate bill S.311 would have guaranteed that any child born alive in the context of an abortion would be provided full legal protection as a living human being and, therefore, receive medical treatment to save the child's life. There is currently no federal law which requires medical professionals to provide treatment for children born alive after attempted abortions, and as of 2014, only 26 states had laws mandating medical care in such instances. Furthermore, New York's recently passed Reproductive Health Act (RHA) removed that state's protection for children that are born alive after an abortion."

It truly reveals how far our nation is fallen when lawmakers--men and women who have been chosen by their fellow citizens as their wise and responsible spokespeople in Washington--can't agree that denying medical aid to a child born alive after a botched abortion is infanticide.

"For although they knew God, they neither glorified him as God nor gave thanks to him, but their thinking became futile and their foolish hearts were darkened. Although they claimed to be wise, they became fools..." (Romans 1:21-22 NIV).
