## One Hope, My Rock

**Bible Thought:** *“There is one body and one Spirit, just as also you were called in one hope of your calling” (Ephesians 4:4, NASV)*

Ezekiel changed his discourse from judgment and doom to comfort, restoration and hope! God's people would hear the message of hope, a part of the larger picture!

Have you ever thought about how many times we use this often overlooked but most powerful word? Hope. Many of our basic words are overlooked and much maligned in this time of texting, reality TV and electronic media. But hope still matters.

I pray for many things in life, but hope is so critical. Our hope keeps heaven before us where we know that all the redeemed will be in God's presence. Our hope keeps us in study, serving and growing. Our hope in Christ, our only rock in this world!

*It is in God that we shall hope,  
And not in our own merit;  
We rest our fears in God's good Word  
And trust the Holy Spirit,

## Prime Timer Tribute Spotlight Harvey Lane

Harvey was born March 17, 1929 in Roanoke, Texas. He lived for a short while in Abilene and later moved to Dallas. He graduated from Forest High School. He is the oldest having a younger sister and brother that died when he was thirteen. Peggy was born September 18, 1929 in Dallas. Peggy's family lived near the old Ford plant off of East Grand. She said that was when it was near the edge of town. She graduated from Woodrow High School. She is the younger sibling having an older brother.

Peggy said she could remember when she could ride the street trolley for 3 cents. She would ride downtown and pay the bills for her mother in cash. She would be given 25 cents that would allow her to go to the movie, buy popcorn and have 3 cents for the ride home. Peggy's dad drove the street trolley car. She recalls the trolley would go to the end of the route, then the conductor would turn the seats around and the same trolley would go back the other way.

Harvey said he recalls that all he ever had for toys was a “used” BB gun and a “used” Bicycle. He learned to cook at a very young age. His younger brother was crippled and his mother would hold him while Harvey did the cooking. Peggy said when they got married she could boil water and Harvey could cook.

Harvey and Peggy met at a hayride in Kiest Park. Peggy and some of her friends were on a Baptist Hayride when the wagon broke down. Harvey and some of his friends were riding scooters in the park and took the girls for a ride while the wagon was being repaired. The next day all of the kids met at Peggy's house. Harvey sang in the chorus at Forest High School. The chorus came to perform at Woodrow High School and Peggy made sure she had a front row seat. On their first date Peggy told Harvey she had to be home early from miniature golf, but she did not tell him she had another date to see the midnight show. But, she never

went with anyone else after her first date with Harvey.

Peggy and Harvey were married Feb.20, 1948 at Oakland and Tanner Church of Christ, Melba Goforth's brother

Marvin Walker married them. They honeymooned at Samuel Blvd, when friends took them, but the cab would not pick them up the next day because it was too far out.

They moved to Zip City (now Balch Springs). They have two daughters, one lives in Mesquite and one in Abilene. They have one son that is deceased. Their lives have been blessed with 4 grandsons and one granddaughter.

Harvey worked for Dallas Power and Light for thirty-five years. He retired in 1986 when it changed to TXU. A good friend of theirs, Frank Thomas, got Peggy a job with US Steel in the Oilwell Division. She worked there for eighteen years and retired in 1985, after paying for the children's education.

They have been longtime friends with Frank and Peggy Thomas and spent many happy and memorable times together. They took their first trip out of Texas together to Devils Den in Oklahoma. Frank was in charge of the money and if any was left over they all had watermelon. The couples took cruises to Bermuda, and Alaska. They went to New York where they saw the Broadway play Annie. Peggy said her favorite trip was to Bermuda through New York.

They have been members of the Church of Christ for many years having attended at Ferguson Rd (now White Rock), help start Casa View in 1958 (now Meadowview), Elam Rd, Seagoville, Hawn Freeway (where Harvey was an Elder for eleven years). And they spent twenty-one years at Highland Oaks Church of Christ. Peggy has taught various classes over the years. They are now an active part of the Primitimers. Peggy attends the ladies bible class along with Peggy Thomas, while Harvey visits with Frank.
